Show Season 2012

A Season Package consists of 7 cabaret shows at a cost of \$105.00

Orders for the Season Package will be accepted after July 1, 2011 and filled October 28th, 2011. Orders received after October 28th will not be included in the progressive seat rotation.

For group and table seating up to 12 people, fill out order form for each member, enclose payment, and submit together. Since large groups may be difficult to rotate together, some restrictions may apply.

Orders for single tickets at a cost of \$20.00/show will be accepted after December 1, 2011.

1. Season Package Tickets will be sold to TCC members and lessees who have purchased membership before tickets are made available to the general public.
2. Seat assignments for each of the 7 shows in the Season Package will be by random selection and located in the best available section of the theater. Seat assignment will progressively move within that section after each show.
3. The remaining single tickets will be restricted to the back of the theater and will not be part of the progressive rotation.
4. Town Center Club will designate "wheel chair" sections for tables and theater seating. These areas will not be included in the rotation. **Wheel chairs will only be permitted in these designated areas**, therefore requests must be included with order. If requests are not received before 7 days of the show, management may restrict seating to the back of the theater.
5. Tickets are non refundable. If a show is sold out, a listing of members wishing to sell tickets or purchase tickets will be available at TCC office.

*NOTE: Make checks payable to Town Center Club, 16690 Saddle Club Rd, Weston, FL 33326.
